Norfolk Man Dies While Wife for 10c. Looks On, Powerless to Help.

[Special to The Times-Dispatch.]
Norfolk, Va., August 26.—M. W. Boushall, of this city, was drowned at Willoughby Beach this afternoon in water barely up to his waist, while his wife sat on the porch of a cottage looking on, unable to help him. Boushall had been bathing some time and started for shore. His wife says she thought she heard him call, but she could not hear what he said. Then he disappeared beneath the surface of the water. When assistance reached him life was extinct. It is believed he died from heart trouble.

George Haldstead, ten-year-old son of D. W. Haldstead, Norfolk's cripple "newsy," was drowned in the Elizabeth River this afternoon while bathing off Huckleberry Point. The body had not been recovered at a late hour to-night.

### LIND AND GAMBOA **EXCHANGE NOTES**

American's Departure From Mexico City Does Not Stop Correspondence.

SITUATION IS NOT ALTERED

Huerta May Give Out Correspondence When Wilson Reads Message.

Mexico City, August 26 .- President Wilson's personal representative, John

American envoy, was sent to Mr. Lind at Vera Cruz to-night. The Mexican Foreign Minister is reticent as to the character of the exchanges, but receded, unofficially, it is said, they will not alter the situation. It is believed they Mr. L have to do mostly with the request on the part of Mexico that President Wil-son delay the reading of his message to Congress in order that the Mex-ican government might prepare for simultaneous publicity of a portion or

all documents in the case.

May Leave Vera Cruz To-Day. The government understands that ir. Lind will leave Vera Cruz for the nited States Thursday. Mr. Hale's in-

haps a day or two before Washington expected him to do so is indicated by the arrival here of W. W. Canada, consul at Vera Cruz, on orders from the State Department to meet and accom-pany Mr. Lind to Vera Cruz. The envoy already had left, however, when Consul Canada reached Mexico City.

Mr. Lind made the trip to Vera Cruz in an ordinary day coach, in the ab-sence from the train of the private car which had been proffered by President In compliance with an order from the officials at Washington appeared letter record of the complete record of the to believe that Mr. Lind's return to

able.
"Mr. Lind will be entirely welcomed in Mexico. should be wish to return," replied the minister.

Though somewhat reassured by the press dispatches from Washington, incleating that the administration still is strongly opposed to intervention, there still prevails here intense anxlety on the part of the foreign residents as well as Mexicans. Trains for Vera Cruz to-day carried away many Americans, and many more have planned to go to-

Mexican Statement.

"In order to calm the natural anxiety of the public, occasioned by the negotiations which have been carried on with Mr. Lind, the confidential agent of President Wilson. Senor Gamboa declarge that the present there is clares that up to the present there is no reason for alarm. "Since the beginning Mexico has tried

to maintain a conciliatory attitude, al-though at the same time a dignified one, and if the President of the United can and if the President of the Carea sent states considers it opportune to submit to Congress the status of the negotiations, then Mexico is relieved from that the tacit agreement and from the cus-toms observed in negotiations of this and will hasten then, and only then, to take public in the entirety all the dentity for the arrival of Envoy Lind days of Au-bas been a

### OFFICIALS HOPE FOR SOME CONCESSIONS

During Day of Unusual Tension in Washington. There Is Belief That Huerta May Yield at Eleventh Hour.

(By Associated Press.)

Washington, August 26 .- The dela- it has taken toward the Huerta govtory attitude of the Huerta government ernment, and the course which it is to-day gave administration officials ready to pursue for years, if neceshope that some concessions might be made to the American proposals for peace in Mexico, but indications pointed to a final ending of the negotiations to-in Latin-America. morrow, when President Wilson is scheduled to read his message to both houses of Congress, defining the policy of Congress, defining the policy With the nature of the four pro-he thinks the United States posals of the United States admitted should pursue toward its southern efficially, discussion centred chiefly on the absence of any demand for the imakenty-four hour postponement of mediate retirement of Huerta, which

Lind, and Frederico Gamboa, Mexican Minister of Foreign Affairs, again are exchanging notes on the subject of the relations between the respective governments, notwithstanding Mr. Lind already has left the capital and that President Wilson's other agent, William Bayard Hale, has planned to leave to-morrow.

A twenty-four hour postponement of the message, which was to have been read to-day, was agreed to after a joint request from Frederico Gamboa. Mexican Foreign Minister, and John Lind, President Wilson's personal representative in Mexican Foreign Minister, and John Lind, President Wilson's other agent, William Bayard Hale, has planned to leave to-morrow.

A twenty-four hour postponement of the message, which was to have been read to-day, was agreed to after a joint request from Minister, and John Lind, President Wilson's personal representative in Mexican Foreign Minister, and John Lind, President Wilson's personal representative in Mexican Foreign Minister, and John Lind, President Wilson's personal representative in Mexican Foreign Minister of the deep supposed as part of the American note. It was suggested by officials, however, that this son's personal representative in Mexican Foreign Minister, and John Lind, President Wilson's personal representative of the American note. It was suggested by officials, however, that this son's personal representative in Mexican Foreign Minister, and John Lind, President Wilson's personal representative in Mexican Foreign Minister of the American note it was suggested by officials, however, that this son's personal representative in Mexican Foreign Minister of the American note it was suggested by officials, however, that this son's personal representative in Mexican Foreign Minister of the American note it was suggested by officials, however, that this government could not logically call upon Huerta to resign a post which it never recognized him as legally holding.

So far as the United States is concerned to the president will be presented to the presentation of the de definitely.

Mr. Lind left the Mexican capital carly to-day for Vera Cruz, however, with the understanding that the United States would announce its policy to-morrow unless the Huerta government

Original Proposals.

Mr. Lind had made certain supplementary suggestions to Senor Gambon. the nature of which was not divulged, but administration officials declared these constituted no departure from the fundamentals of the American note. The original proposals were officially announced, as follows: Cessation of hostilities and a defi-uite armistice.

An early and free election.

2. An early and free election.
3. Huerta to bind himself not to be candidate. 4. Agreement by all parties to abide

by the results of election.

Mr. Lind informed Senor Gamboa Provisional President to conduct a free that he would stop in Vera Cruz and election. could be reached there in case there officials were not sanguine to-night should be any reply to his last sugthat the Huerta government would gestions. For several days Gambon withdraw its recognition of the Amerand Lind have been fencing, the former attempting to secure a new basis made for the delivery of the special of negotiations, and the latter stead-message by the President Both houses fastly declaring that under no circumstances would the United States sion at 1 o'clock to-morrow yield any of its points or agree to any Day of Unusual Ten considerable prolongation of the ne-gotiations unless Huerta withdrew his
